Highlights

MyAroma Control

MyAroma Control remembers the strength of your favourite coffee.

Detachable water tank

Detachable water tank for easy water filling.

Drip stop

The Philips coffee makers have drip stop to interrupt the brewing whenever you like.

Decalcification indicator

The Philips coffee machine will remind you when to descale your appliance. Regular descaling with the specially developed SENSEO® descaler ensures your coffee tastes it best and prevents build-up of limescale from tap water.

Automatic shut-off

After keeping your coffee warm for 120 minutes the appliance shuts off automatically to help you save energy.
